

## CONTENTS

**Review**

- 1 - 6                    The Mediterranean Region: A Reservoir for CTX-M-ESBL-Producing *Enterobacteriaceae*.  
*Katia Cheaito and Ghassan M. Matar*

**Original Articles**

- 7 - 12                    Effect of Green Tea and Green Tea Rich with Catechin on Blood Glucose Levels, Serum Lipid Profile and Liver and Kidney Functions in Diabetic Rats.  
*Usama El-Sayed Mostafa*
- 13 - 18                    Genetic Variability Evaluation Among Iraqi Rice (*Oryza sativa* L) Varieties using RAPD Markers and Protein Profiling.  
*Nawroz Abdul-razzak Tahir*
- 19 - 24                    Macroinvertebrate Community and Pollution Tolerance Index in Edion and Omodo Rivers in Derived Savannah Wetlands in Southern Nigeria.  
*John O. Olomukoro and Abdul-Rahman Dirisu*
- 25 - 29                    Bacteriocin Typing of *Staphylococcus aureus* Isolated from Different Sources in Ibb City, Yemen.  
*Fadhl A. Al-Gosha'ah; Shayma M. Al-Baker and Khadijah Y. Al-Hetar*
- 31 - 34                    Molecular Identification of Six *Steinernema* Isolates and Characterization of their Internal Transcribed Spacers Regions.  
*Omar M. Darissa and Naim M. Iraki*
- 35 - 39                    Diversity of Fungal Trunk Pathogens Associated with Grapevine Dieback of Grapevine in Algeria.  
*Faiza Ammad, Messaoud Benchabane2 and Mohamed Toumi*
- 41 - 48                    Biochemical Response of the Cyclopoida Copepod *Apocyclops borneoensis* Exposed to Nickel.  
*Emadeldeen Hassan Mohammed*
- 49 - 55                    *Newbouldia laevis* (Seem) as an Entomocide Against *Sitophilus oryzae* and *Sitophilus zeamais* Infesting Maize Grain.  
*Olaniyi C. Ogungbite and Emmanuel A. Oyeniya*
- 57 - 62                    Entomocidal Activity of Powders and Extracts of Four Medicinal Plants Against *Sitophilus oryzae* (L), *Oryzaephilus mercator* (Faur) and *Ryzopertha dominica* (Fabr.).  
*Kayode D. Ileke and Olaniyi C. Ogungbite*
- 63 - 66                    Effects of Smoking on Lipid Profile and Homocysteine in Coronary Heart Disease.  
*Fawzi M. Al-Sheyab, Faisal I. Mohammed, Iman K. Shehadeh, Nabil A. Bashir and Rehan T. BaniHani*

---

**Short Communication**

---

- 67 - 70      Two New Records of *Astragalus* species of the Section *Chronopus* Bge. and *Harpilobus* Bge. in Saudi Arabia.  
*Sherif M. Sharawy*
- 71 - 74      Secondary chromosomal association in kidney bean (*Phaseolus vulgaris* L.)  
*Girjesh Kumar and Nitu Chaudhary*
- 75 - 80      Study on the Production of Bacterial Cellulose from *Acetobacter xylinum* using Agro-Waste.  
*Puji Lestari , Nitariani Elfrida, Ani Suryani and Yadi Suryadi*
